## RATIONAL ICOMBI COMBI OVEN & KIT 10 X 1/1 GN ICP101

**Product Code:** 4012058

**Product Description:** Discover the iCombi Pro, a compact yet powerful combi-steamer designed to elevate your kitchen's efficiency and culinary output. With a capacity of 10 x 1/1 GN trays and the ability to serve 80-150 meals per day, this appliance is a game-changer for busy commercial kitchens.

Equipped with intelligent features like iDensityControl, the iCombi Pro ensures precise climate management for consistent cooking results every time. Explore a multitude of cooking options with iCookingSuite's 7 operating modes and 4 cooking methods, while the iProductionManager intelligently organises your cooking processes for maximum productivity.

Effortlessly maintain hygiene with the iCareSystem's intelligent cleaning and descaling capabilities, complemented by 9 cleaning programs for added convenience. The iCombi Pro's advanced features also include a PowerSteam function for optimal steam performance, energy-saving LED lighting, and intuitive touchscreen controls for easy operation.

**Unit:** EACH
