MF-Eco Mobile Filtered Extraction unit c/w self cleaning system

Welding Fume & Dust

- MF-Eco Jet Pulse is a mobile extractor with a internally supported flexible arm combined with cartridge filter and built in Jet Pulse Cleaning System. (Arms priced separately)
- It's the most economical filtering solution available for welding fumes and light dust.
- MF-Eco Jet Pulse is robust, yet easily manoeuvrable. Add to this the adjustable Alfi IS Extractor Arm, and you have a supremely versatile and flexible filtration unit – it can easily be moved between different work stations.

JET PULSE CLEANING

Cartridge filter has "Better than 99.9%" efficiency with extra cleaning convenience. Simply connect the hose to a compressed air line and it is clean in a minute with the built in Jet Pulse System.

Technical Data

Capacity	1200m³/h
Filtration efficiency	>99% (Welding fumes)
Fan	0.75kw
Action radius	Up to 3m for P-169 arm
Swiveling arm	360°
Filter Cartridge	Polyester Cartridge
Measure (HxWxD)	990x530x640mm
Weight	55kg+15kg

Product List

MF-Eco Jet Pulse mobile filter 1-phase/240volt/ 50Hz. Extractor arm not included	P-540
MF-Eco Jet Pulse mobile filter 3-phase/415volt/ 50Hz. Extractor arm not included	P-543
Alfi Retractable IS extraction Arm 2m/160mm diameter	P-168
Alfi Retractable IS extraction Arm 3m/160mm diameter	P-169
MF-Eco Replacement Filter Cartridge, Polyester	P-541
MF-Eco HEPA filter 23m²	P-544
Holder for 2 Flexi Extractor Arms 160mm diam. (max.3m)	P-086
