- Wide - 830mm W x 1900mm L
- Bariatric - 980mm W x 1900mm L

### Mattress Shapes

- Square Ends (electric stretcher)
- Truncated End (hydraulic stretcher)

### Why Buy

The Contour Premia mattress has been designed to optimize patient weight capacity and comfort by using a selection of quality foam layers to help in both preventing patients from bottoming and pressure reduction. The Contour Protran mattress is recommended for short stay patients with a single medium density foam section to facilitate special patient transfers or clear imaging.
