

Surevac Maxi 30L Extractor

190116 - Corded operated

- High water lift technology allows incomparable dirt removal and the shortest drying time: carpet can be dry in an hour.
- The size of the machine is small compared to its tank capacity. Easy transportation.
- The special profile of the vacuum head, which allows getting the best suction even when the tool inclination changes.
- The height of the handle is adjustable, for greater ergonomics.
- Quick disconnect spray nozzle, which can be removed by hand without using any tools.
- Transparent unbreakable cover, which allows seeing the dirty water while it is sucked.
- Recovery tank with integrated handle. The tank can be easily detached from the machine body.
- Water pump with internal bypass, which allows an automatic regulation of the optimal water flow.
