# DIAMANTE

**DIAMANTE** The new vertical fridge display for pastry by Ital Proget will allow you to combine technology, design and elegance together with the reliability of a product completely Made in Italy, with the guarantee of the best energy saving consumption.

- Glass door with assisted lock and return spring.
- Door opening on the right, also on the left on request.
- Tempered glass with double chamber and low emissivity.
- All glasses are easily replaceable.
- High visibility from all sides of the cabinet, shelves made of extra clear glass supported by stainless steel elements.
- LED lighting.
- Ventilated refrigeration.
- Hot gas defrost.
- Movement of the cabinet by means of four wheels including the two front wheels with brakes.
- Touch-screen display on a design element in tempered and silk-screened glass.
- The front closing plate can be easily opened with a magnetic hook to make the condenser easy to clean.
