

Matisse X5

Five Action Lift Recline Chair

Comfort, Control, and Contemporary Design

Combining modern styling with thoughtful functionality, the Matisse X5 delivers a smooth and supportive recline experience for daily living. Available in Petite and Large sizes, the chair is designed to align with your body shape for enhanced comfort, and effortless transitions between sitting and standing.

Integrated Lift and Recline Functions:
Assists with sit-to-stand transfers, helping users feel confident and independent at home

Zero Gravity and Tilt-in-space:
Elevates the legs above the head assisting in redistributing pressure and relieving discomfort

Powered Headrest:
Ensuring your neck is always supported comfortably

Integrated Leg Extension: Provides improved support under the lower legs for a wide range of users

Backlit USB-A & USB-C Hand Control:
Easy to see and operate, day or night, with a built-in USB charging port for phones and devices. Hand control loops on both sides of the chair ensure the controller is always accessible to the user

Durable and Safe:
Scratch-resistant materials and protective covers extend the life of the chair, and a built-in safety barrier keeps pets away from moving parts

Available in Petite and Large Sizes: To suit a wider range of body types, improving comfort, posture, and safety during sit to stand transfers

All-day Battery Backup: A lithium-ion battery ensures continued operation during power outages

Five Action Recliner: With back recline, legrest raise, lumbar support, an adjustable headrest, and zero gravity tilt-in-space

Large Side Storage Pockets: Keep books, magazines, or remotes tidy and within reach
