

REINVENT HOW THE WORLD CLEANS

T600

Industrial-strength floor scrubber

Delivering exceptional cleaning performance and reliability even in the toughest environments.

Available technologies

ec-H2O NanoClean® technology

Pro-Membrane™
or Pro-Panel™

IRIS® Asset Manager

Smart-Fill™ Automatic
Battery Watering

High capacity battery
power sources

Productive & versatile

1

3

2

4

5

1. Yellow debris tray

Helps prevent machine clogging.

2. Productivity-boosting

Maximize battery life and run-time with the optional Smart-Fill™ automatic battery watering system.

3. Integrated p-trap

Virtually eliminate water compartment drain tube drips after cleaning.

4. Quiet-Mode™

Reduce noise levels as low as 62 dBA for daytime cleaning without disruption. Perfect for healthcare, education, and office cleaning.

5. ec-H2O NanoClean® technology

Decrease the use of daily floor cleaning chemicals and the amount of water needed with optional detergent-free ec-H2O NanoClean® technology.

Get the performance you need

The T600 scrubbers have multiple machine head types to fit your cleaning applications and optimize cleaning performance for specific areas.

Cylindrical:
700 mm & 800 mm

Orbital:
700 mm

Dual disk:
800 mm & 900 mm

Inside the **T600**

1. Simplify operation

Easy-to-understand controls featuring variable speed control bail, propel toggle and speed setting within easy reach.

2. Recovery hose

Pinch-style recovery hose helps control dirty water flow.

3. Convenient charger

Charge anywhere with the convenient on-board charger.

4. Foot activated squeegee

Easily and ergonomically lower and raise the foot activated squeegee.

5. Yellow touch points

Save time and ensure proper maintenance with yellow touch points.

6. Drain tube

Safely control the removal of excess fluids via the battery compartment drain tube.

7. Easy access

To solution filter bowl makes cleanout simple and quick.

8. Foam filled or pneumatic tires

Increase traction with tires with enhanced grip.

9. Yellow plunger

Easily remove scrub head brushes with yellow plunger.

T600 specifications

	DUAL DISK		CYLINDRICAL		ORBITAL
	800 MM	900 MM	700 MM	800 MM	700 MM
Productivity (per hour) Theoretical Max	3,924 m ² /hr	4,415 m ² /hr	3,434 m ² /hr	3,924 m ² /hr	3,434 m ² /hr

Quiet-Mode (operator's ear)***	62.2 dBA		62.2 dBA		62.3 dBA

ec-H2O NanoClean® technology is NFSI (National Floor Safety Institute) Certified

ec-H2O NanoClean technology is registered by NSF International

*Estimated coverage rates use the practical speed and empty/fill time standards from the 2014 ISSA 612 Cleaning Times & Tasks handbook.

**Up to run-times are based on continuous scrubbing run-times, 360AH batteries, low down pressure, ec-H2O off.

***Sound levels per ISO 11201 as recommended by the American Association of Cleaning Equipment manufacturers & OSHA.

*****Does not include - ec-H2O NanoClean or Smart-Fill options.

Tennant – Reinvent how the world cleans

With a vision to become a global leader in sustainable cleaning innovation that empowers our customers to create a cleaner, safer and healthier world, Tennant creates solutions that are changing the way the world cleans.

We are where you are

Tennant has the industry's largest direct sales and service organization and a well-supported network of authorized distributors worldwide.

Solutions for your unique needs

Whatever your cleaning needs, Tennant offers a variety of high quality equipment to help you increase your cleaning productivity.

Buying, leasing, renting

We offer flexible options to get you the machines you need, however you need them.

TennantTrue®

Optimize equipment performance and protect your investment with TennantTrue® parts and service.
