

Drum Lifter Forklift Attachment – 500kg Capacity – 210L Drums

Make lifting and moving 210L steel drums faster, safer, and more efficient with our 500kg capacity drum lifter. Designed for both open-top and closed-head steel drums, it keeps the drum upright during lifting to reduce spills, protect your team, and improve workflow. Compatible with overhead hoists and forklifts, this drum lifter is an essential tool for warehouses, factories, and industrial sites.

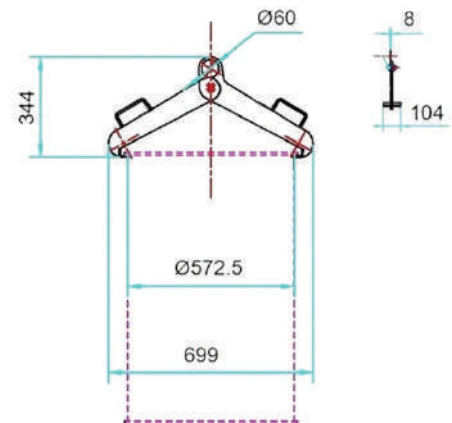

Features

- **Safe Drum Handling:** Keeps drums upright to prevent spills and workplace injuries.
- **Versatile Compatibility:** Works with 210L steel drums – open-top or closed-head.
- **Heavy-Duty Construction:** All-steel frame with welded gripping hooks for durability.
- **High Visibility:** Powder-coated yellow finish for safety and extra protection against wear.
- **Easy to Use:** Lightweight design for smooth manoeuvring.
- **Includes Operation Manual:** Clear instructions for safe handling.
