Excellence Meets Clean

X Ride 28

28" (71cm) Rider Carpet Extractor

CFS= Chemical Free Solution

The XRide 28 fitted with the OPTIONAL CFS (Chemical Free Solution) is a self-contained ride on carpet extractor that requires Zero chemical or disinfectants.

It uses Ozone to Sanitize, Deodorize and purify soft floors using an innovative Ozone technology that's revolutionizing the way we clean carpets.

- **Sanitize** - Ozone kills pathogens more broadly than chlorine or other chemical sanitizers
- **Deodorize** - Ozone is one of the most powerful deodorizers known
- **Purify** - Ozone destroys residual pesticides in water and on the surface of carpet and breaks down trace pharmaceuticals (e.g. estrogen) in water
- **Conserve** - Ozone creates fewer by-products than chemical sanitizers and uses less energy than sanitizing with heat

General Overview

- The X Ride 28 is a 28" (71cm) rider carpet extractor
- Clean large carpeted areas quickly and efficiently while the operator rides in comfort
- Quick one pass cleaning, scrubs and vacuums up water

Productivity

- The X Ride covers up to 842 sq m per hour
- Large Solution and Recovery tanks allow for less time filling or emptying
- Small, compact design allows for cleaning even in tight spaces
- Off-aisle wand allows for cleaning where the machine cannot go

Ease of Use

- Easy-to-understand controls ensure that the machine is simple to operate
- Compact, ride-on design results in total operator comfort by focusing on ergonomics
- Sleek design provides an excellent line of sight to the area to be cleaned

Key Features

- Cylindrical scrubbing action cleans both sides of the carpet fiber
- 102 litre solution tank and 93 litre recovery tank
- Two nozzle modes :

Interim - 1.9 litres per minute @ 50psi
Restorative - 3.8 litres per minute @ 100psi

- Convenient drain port for recovery tank clean-out
- When the on-board charger is plugged in, the machine is not operable
- Off-aisle recovery wand and 7.6m of hose mounted on-board
- AGM maintenance-free battery pack

GREEN Features

- Sound level ≤ 70dBa
- AGM maintenance-free batteries
- Tool free brush removal
- Easy-to-understand operation controls
- Ergonomically designed for operator comfort
- Seat sensor shuts off unit once operator leaves platform
- On-board vac & solution wand for maximum water pickup

	X Ride 28
Cleaning path width	71 cm
Theoretical productivity	842 m ²
Working speed	19.81 metres per minute
Rated voltage	36volts
Vacuum flow	152 cfm
Vacuum waterlift	178 cm (70 inches)
Vacuum power	(2) 36 volt 1 HP (745 W)
Drive motor power (TD)	3/4 HP (559 W)
Brush type	Cylindrical
Brush motor(s) power	(2) 3/4 HP (559 W)
Number of brushes	2
Solution pump	100 psi
Solution tank capacity	102 liters
Recovery tank capacity	93 liters
Number of spray jets	
Interim	1 jet
Restorative	4 jets
Wheels	
Front	3 inch x 10 inch polyurethane
Rear	3 inch x 12 inch soft ride cross hatch AGM
Battery	36 volt 210Ah
Weight with batteries	1,315lbs (596 kg)
Weight without batteries	475 lbs (215 kg)

Specifications subject to change without notice.
