## SERVER TOPPING WARMER WITH PUMP 30ML

**Product Code:** 2624357

**Product Description:** The Server Topping Warmer with Pump 30ml by Server is the perfect solution for keeping sauces or ice cream toppings at the ideal temperature for service. Featuring a 500-watt wrap-around heating element, it ensures even heat distribution, preventing hot spots and keeping your toppings warm without the risk of burning or scorching. The temperature-controlled thermostat automatically adjusts the heat based on the food temperature, providing consistent warmth throughout.

This compact, countertop warmer includes a stainless steel, portion-controlled pump that dispenses 30ml per stroke, with the option to adjust in 3.7ml increments. It uses a 2.8-litre stainless steel jar, and the base can be fitted with a lid and ladle or an inset with squeeze bottles for added versatility. Designed for ease of use, it's an essential tool for adding a signature touch to your desserts or specialty drinks.
