

C2 CPAP & C5 AUTO Machines

The **HealthGear CPAP and Auto-CPAP Machines** combine innovative leading edge **technology** and **stylish** design, making them **perfect** for treating **snoring** and **sleep apnea (OSA)**.

Both Machines come complete with a removable **heated humidifier**, hose swivel, comprehensive **on-screen data** panel and **simple** one button operation.

Fisher and Paykel Brevida Nasal Pillow Mask shown.

In our experience, this is one of the quietest masks on the market, and we highly recommend it.

Get A Great Night's Sleep

Boasting an impressively low **sound level** rating of around **27dB**, the **C2 & C5 Machines** will keep you and your bed partner **sleeping soundly** all night long.
