

Aluminium Furniture Moving Trolley Set - 500kg Capacity

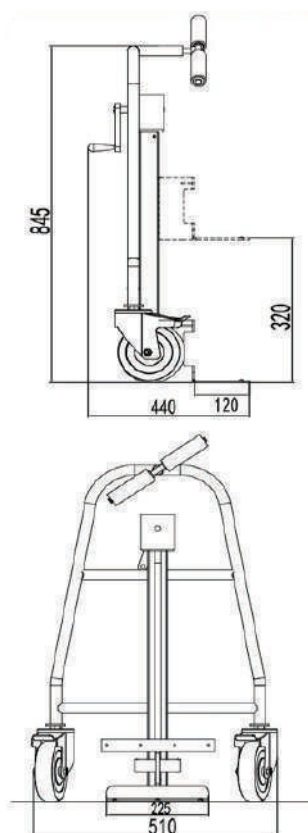

Made from lightweight aluminium alloy, the FM50 Furniture Moving Trolley Set provides an easy-to-use solution for lifting and manoeuvring heavy furniture, appliances, vending machines and equipment.

The lightweight design makes steering and positioning loads easier, while the unique steering system allows loads to be moved sideways for easier positioning in tight spaces.

Sold as a complete set of two trolleys.

Features

- 500kg load capacity.
- Lightweight aluminium alloy construction.
- Easy steering system allows sideways movement.
- Safety spindle winch with safety stop.
- Built-in 5m securing strap.
- Position lifting plates underneath the load, adjust the upper support rail and tension the strap before lifting.
- Lift evenly from both sides for safe movement.
- Lifting plates fitted with non-slip coverings.
- Upper and lower support rails with protective coverings.
- Winch with crank handle and gear mechanism.
- Four swivel castors with roller bearings.
- Non-marking polyurethane wheels.
