HOSHIZAKI ICE MACHINE MODULAR 221KG/24HR KMD-270AB NO BIN

Product Code: 4018801

Product Description: The Hoshizaki Ice Machine Modular 221kg No Bin is engineered to produce clear, crescent-shaped ice, offering excellent versatility across various applications. Its double-sided stainless steel evaporator requires fewer cycles to produce a full bin of ice, reducing energy consumption while maintaining optimal performance. The design ensures reliable and consistent ice production for high-demand environments.

Thanks to the innovative CycleSaver® design, this ice machine produces more ice with less energy by cycling half as many times as the competition. Ideal for a range of uses, from splash-free post-mix soft drink service to fish transportation, bottle displays, and even laser therapy, it delivers exceptional efficiency and reliability in commercial settings.
