

# GO BEYOND BRILLIANT

All skin types.  
Two wavelengths.  
One brilliant treatment.

clear +  
brilliant<sup>®</sup>  
touch laser

Helps to Prevent.\* Maintain. Improve.

MODEL

## Treat to Complete with just one Touch

Deliver two wavelengths in one treatment, so your patients receive a customised and comprehensive treatment.

### Original (1440nm)

Treats a **deeper depth** of the dermis to help

- Improve fine lines
- Minimise appearance of pores
- Boost collagen

### Perméa<sup>®</sup> (1927nm)

Treats a more **superficial depth** to help

- Improve skin tone
- Improve appearance of pigment
- Increase skin permeability to increase the uptake of topical antioxidants by up to 17x

## To help:

### Prevent\*

Signs of aging

### Maintain

Healthy, radiant skin

### Improve

Skin's overall appearance

\* Preventative treatment refers to prevention of worsening of fine lines or wrinkles due to aging or sun damage.

# ADVANCE YOUR PRACTICE WITH CLEAR + BRILLIANT<sup>®</sup> TOUCH

clear+  
brilliant<sup>®</sup>  
touch laser

Helps to Prevent.\* Maintain. Improve.

## VERSATILE

- Treat all ages and all skin types with little to no downtime.
- Great for emerging and established patients.

## COMPREHENSIVE

- Seamlessly switch between the handpieces to deliver two wavelengths in a single session for a customised patient treatment.
- Helps to prevent\* the early signs of aging, maintain a youthful look, and improve the overall appearance of skin.

## SMART

- User-friendly touchscreen with intuitive interface and navigation.
- Enhanced treatment tracking on the Intelligent Optical Tracking System™ with vented tip.

## AFFORDABLE

- Clear + Brilliant patients have a high lifetime value because they may come in for routine treatments.
- The broad patient profile and accessibility make it an excellent addition to practices.

\*Preventative treatment refers to prevention of worsening of fine lines or wrinkles due to aging or sun damage.
