Soteria

Batten Light

The Soteria Series is a great value range of batten light, with an impressive IP69K rating and emergency battery backup. This series includes a green eyewash model, tailored for green eyewash applications, to improve site safety. The Soteria lights has an IK69 rating making the Soteria resilient against high-pressure and heat water washdowns, and suitable for various environments, including where fluorescent lights are traditionally used. The Soteria can be suspension or surface mounted, offering better heat dissipation and external impact resistance.

Optional Pole Mount Kit & Connector

- ✓ Improve Site Safety as an Emergency Eye Wash Station (with Battery Backup)
- ✓ Impressive IP69K Rating for High Pressure (Water) and High Temperature (Steam) Washdown
- ✓ Anti-Corrosion (PMMA) Lampshade Available for Carwash Facilities, Corrosive Applications, Chicken/Pig Farms, Flour Mills, Food Industry
- ✓ Better Heat Dissipation (Aluminium Heat Sink Inside) IK10 Rating External Impact Resistance
- ✓ Suspended and Surface Mounted Options (Can Also Be Linked)

Soteria

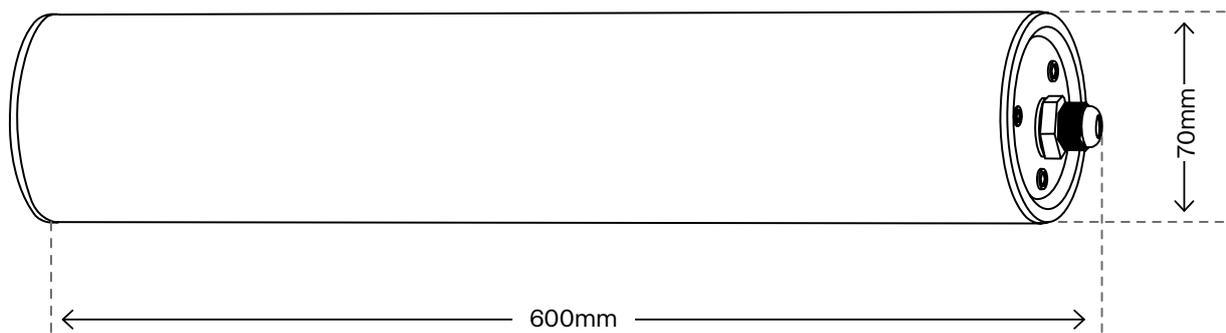

Specifications

CODE	ETG-03S0013	ETG-03SD015
Power (W)	18	18
Input Voltage	AC 220-240V	DC
Lumens (lm)	2160	
LED Chip	Green chip	
CCT	5000K	
Beam Angle	120°	
Emergency Mode	3W / 2hrs	
IP Rating	IP69K	
IK Rating	IK10	
Dimension (mm)	600 × Ø70	
Dimming Control	Non-dimming	
Net Weight (kg)	1.4	
Operating Temp	-20°~45°	
Body Material	Polycarbonate (PC)/ aluminium	
Optional Finish	PMMA (anti-corrosion)	
Lens	Frosted	
Mounting	Suspended or surface mounting bracket included/ can be made linkable	
Optional Extra	Pole mounting bracket/pmma (anti-corrosion) finish	
Warranty	5 Years (1 year battery)
