

HDS35

Heavy Duty Walk-Behind Industrial Scrubber

COMPACT BATTERY POWERED GENIUS

The Conquest HDS35 walk-behind scrubbing machine saves time, increases productivity and produces a significantly better result than traditional manual cleaning methods. With all the features of a large scrubber dryer the HDS35 removes the dirty water and leaving the floor dry and safe to walk on immediately after one pass. Hygiene levels are greatly increased, and safety issues are removed thanks to the HDS35 B. The 180° adjustable handle and the Conquest parabolic squeegee system ensures the HDS35 cleans and dries right into tight corners, and conveniently folds up neatly for compact storage.

HDS35

The HDS35 is out of the bottle and is eliminating manual cleaning systems.

Technical Specifications

HDS35			
Cleaning Width	350mm scrub path	Power Supply	12V
Solution/Recovery Tank	8L / 10L	Battery Charger	Automatic battery charger
Noise Level	69dB	Machine dimension	682 (L) x 440 (W) x 1115 (H)mm
Brush Speed	20RP	Weight	67kg
Brush Pressure	18Kg		

Features & Benefits

1 IDEAL FOR CLUTTERED SPACES

Designed for cleaning in tight or cluttered areas where traditional mop and bucket systems are still used.

2 ERGONOMIC OPERATOR DESIGN

Allows operators to clean efficiently with minimal effort and reduced fatigue.

3 INCREASED CLEANING PRODUCTIVITY

Improves operator productivity by up to 30% compared to manual cleaning methods.

4 ENERGY-SAVING TECHNOLOGY

Reduces energy consumption by up to 35%, improving efficiency and lowering operating costs.

5 WASHES AND DRIES IN A SINGLE PASS

Leaves floors clean and dry immediately, reducing the risk of slipping.

6 ON-BOARD BATTERY CHARGER

Keeps the machine charged and ready for use wherever a power outlet is available.

7 COMPACT AND TRANSPORTABLE DESIGN

Folding handle and removable tanks make the machine easy to transport and fit into a standard vehicle.
