UNDER BENCH HEAVY DUTY COMMERCIAL DISHWASHER SSS-600

- Dimensions (W x D x H): 605 x 605 x 830 mm
- Clear entry height: 350 mm
- Basket size (W x D): 500 x 500 mm
- Equipment: 1 x universal basket, 2 x 18-plate basket, 1 x tea-spoon rack
- Peristaltic rinse aid dosing
- DIGIT control panel

Specially designed stainless steel, indented anti-clog wash arms, easily removable for cleaning, without tools.

Press-moulded wash tank with radial corners and double filters for hygiene and easy maintenance.

Insulated double skin cabinet construction reduces energy costs and noise levels, and also maintains the wash area temperature.

Balanced door for comfort of use.

SSS-600R units include a Rinse Pump and a Break Tank to optimise intake water pressure when the supply pressure is subject to fluctuations.
