

Invacare Birdie (180kg SWL)

Floor Lifter

With maximum space given to the user, the Invacare Birdie offers a truly comfortable lift and transfer to or from beds, chairs or even the floor. The Invacare Birdie maximises space for the user even when the lifter is in the highest position. This gives a very comfortable lift and transfer since the user can easily be rotated in the lifter. The Invacare Birdie folds quickly and easily and comes standard with electric leg adjustment and has 180kg weight limit making it ideal for in the nursing or care home environments. Compact without compromising on comfort.
