

Plinth Medical - 93BE Phlebotomy Chair

Access Health

PHLEBOTOMY CHAIR

Flexible phlebotomy chair with unrivalled patient comfort and access. The easy removal of the fully adjustable arm rests means this chair can also be used for general examination. Optional accessories can also be added to expand the use of this chair.

KEY FEATURES

- Electric height operation
- Adjustable angle backrest for supporting the patient in the sitting position
- The backrest can be instantly lowered to -15° to aid patient recovery
- The foot section is adjustable from 0° to -90° for ease of patient access
- Multi-adjustable phlebotomy armrest located on both sides of the chair
- Retractable wheels provide easy movement and positioning of the chair
- Low patient transfer height of 52cm (20")

 German Manufactured Actuator Motors

- Lifetime frame guarantee
- 5 year parts guarantee
- 16 years average lifespan
