

Hydraulic Double Scissor Lift Table 150kg Capacity / 1.26m Lift

The MTTD15 Hydraulic Lift Table is a compact and ergonomic lifting solution designed to raise goods to a comfortable working height of up to 1260mm. Ideal for warehouse picking, process work, or packing lines, this lift table reduces strain and fatigue caused by repetitive bending or lifting.

Operated with a foot pump and controlled hand release lever, the MTTD15 offers smooth lifting and lowering. It's lockable swivel urethane castors ensure easy manoeuvrability on delicate flooring such as tiles, floorboards, or marble.

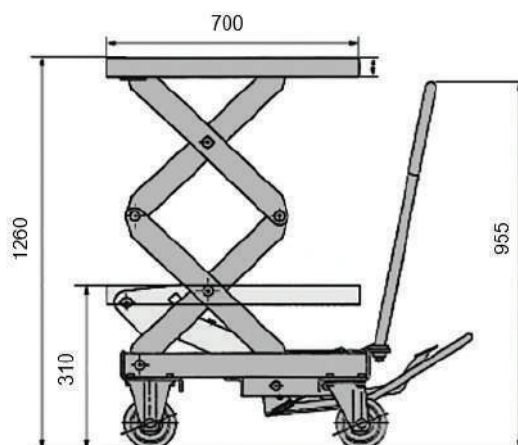

Features

- **150kg Lifting Capacity** – Ideal for lightweight materials and warehouse tasks.
- **Ergonomic Lifting Height** – Raises goods up to 1260mm to reduce bending.
- **Foot Pump Operation** – Simple, hands-free lifting to your desired height.
- **Controlled Lowering** – Via hand-operated release lever.
- **Rear Braking System** – Provides stability during operation.
- **Overload Bypass Valve** – Prevents excess weight from damaging the system.
- **Lockable Swivel Urethane Castors** – Safe for use on sensitive flooring.
- **Powder-Coated Safety Yellow Finish** – Highly visible and durable.
- **Perfect for Picking or Processing Work** – Compact design, big performance.

⚠ Note: For lifting goods/products only. Not suitable for lifting people.
