

Dongles

(Adaptor for Entertainment Handset)

Key Specifications:

- Cable length 300mm
- Fully molded connectors
- Sedco, Inteltec, HTR and Rauland
- Material:45P-PVC

The dongle is a cheap and easy option of replacing your original entertainment handset with Indigo Care's handset. These dongles are designed as to integrate with different nurse call systems.

The connector is full molded with hard PVC over hospital's grade cable so that it retains high pull-off load both at the joint (neck) and connection on the pins.

Even though we custom design dongles, the readily available adaptors are as followed:

- Sedco (20-pin flat type)
- Inteltec
- Rauland
- HTR
