V1.0 - 241106

# RAYCO RG74T

The Rayco RG74T Stump Grinder offers versatility and performance whilst providing more cutting power than most 100hp stump grinders on the market.

When it comes to engines, there's just no replacement for displacement. The new Rayco RG74T, is a high-production stump cutter powered by a massive 3.8L Cummins 74hp diesel engine that generates peak torque of 295ft-lbs. The large displacement diesel engine delivers more cutting power than most 100hp-class stump grinders and meets Tier 4 Final emissions without complex after-treatment systems. Compared to the competition, the difference is clear.

# Technical Specifications

Cutting Depth	21" (53.34 cm)
Cutting Height	32" (81.28 cm)
Cutting Width	72" (182.88 cm)
Engine	74 hp Cummins
Fuel Type	Diesel
Fuel Tank Capacity	57 L
Cutter Wheel Diameter	58.4 x 3.8 cm
Weight	2359 kg

(All specs E&OE and subject to change)

zero  
downtime  
guarantee\*
