SPRAY LUBRICATION
FOR AUTOMATIC CUTTING PRESS

 technotrans

MAINTENANCE-FREE SPRAY LUBRICATION

Reflection technology without compressed air for consistent moistening of coils up to 200 mm.

THE ADVANTAGES AT A GLANCE:

- › cost-efficient operation, reduced maintenance effort,
no consumables, abolition of expensive compressed air
- › no mist
- › increase health protection
- › no need for an extraction system
- › optional lubrication of tools
