Fagor Advanced Plus Electric 20 Trays Combi Oven - APE-201

Quick Overview

The ADVANCE PLUS range delivers full-on functionality and the highest performance on the market. Achieving a perfect balance between cooking quality, simplicity, efficiency, and safety.

This range comes equipped with all the new features exclusive to Fagor:

- HA Control: guarantees a constant, uniform temperature
- Eco Steaming: steam is generated in a boiler which is independent of the cooking chamber to ensure perfect quality of cooking
- Fagor Touch: choose the cooking method via a system of glass-sealed touchscreens, which offers easy cleaning and protection from dents and scratches
- Fagor Combi OS: a unique operating system with multiple cooking programmes for even cooking simultaneously in different trays
- EZ Sensor: the new temperature sensor which assures maximum accuracy in the cooking process
- Combi Clean: an automatic cooking chamber cleaning system with five wash programmes
- 4 cooking modes: steam, adjustable steam, regeneration and convection (up to 300°C)
- Pre-heating option
- Auto-reverse fan rotation
- Easily serviced without the removal of any exterior panels
- 929mmW x 964D x 1841H; 333kg;
- 138.24MJ/hr; 38.4KW; 400V; 3-N
