Days™ Solstice Comfort Tilt-in-Space Wheelchair

Seating is designed for pressure relief and offers maximum comfort for full-time use. The intuitive center-of-gravity system provides ultimate stability when reclining and tilting. Seat tilt can be adjusted by up to 30 degrees using a simple gas piston. Padded, adjustable headrest and elevating legrests add support and pressure relief. Padded armrests are adjustable and removable. Hub brakes keep chair in place when stationary. Crash tested and transit tie-down system.
