

EcoBund Portable Bunding System

Application

Store drums, machinery, tanks and equipment safely in almost any location. Simply unfold, insert the braces and the EcoBund is ready.

When not in use, the EcoBunds are ultra compact and easy to store.

Features

- Australian made.
- Made from heavy duty 1017gsm geomembrane.
- Seam free construction provides incredible strength.
- Can be deployed by a single person in minutes.
- Outstanding chemical resistance across a broad range of acids, caustics and hydrocarbons.
- Quickly drop down the walls for drive through capability.
- In a range of sizes from 2 pallets to 24 x 1,000L IBC
- Can be fitted with a passive oil/water filter & drain off valve

Code	Size(m)	Capacity(L)	Pallets
TSSEB2	2.5 x 1.6 x 0.25	1000	2
TSSEB4	2.5 x 2.8 x 0.25	1750	4
