CM340 Electric Lifter

CE

- 130kg Capacity, lifting height: 3300mm
- Compact and easily transported
- Safe, reliable, sustainable and low maintenance

CM340 Portable Lifter

- CM-340 is the most compact electric lifter in its class. It quickly and easily turns a 3 person lifting job into a single person job giving your company an edge over its competitors.
- Adjustable legs enable the CM-340 to work on uneven surfaces and fold compactly.
- The CM340 can lift a maximum weight of 130kg and can lift to a height of 3.3 meters.
- The CM340 is ideal for domestic and smaller commercial operators. Most smaller organisations begin with a CM340 as it covers a majority of needs.

Warranty: 1 Year refer to the JIALIFT warranty terms and conditions
