

# GEN 2 Over-Door/Corridor Light

## 3 and 6 LEDs

- **Easy to Use**
- **Cost Effective**
- **Integrates to most Nurse Call Systems**

The GEN 2 Over Door/Corridor Light (ODL) is a sleek, efficient, and unobtrusive nurse call light. The GEN 2 ODL is built to last, easy to clean and features an aesthetic design with visually appealing look.

The ODL features three(3) LED colours: Red, Green, and Yellow. The premium ODL offers six(6) LED colours: Red & Blue, Yellow & White, and Green & Pink. To ensure the LED colour remains sharp and distinct when two(2) lights are activated at the same time, a light-proof separator is used to shield the LEDs and eliminate any ambiguity.

The unique fin-design enables greater visibility from a distance, allowing staff to spot the activated light easily. Thanks to advanced LED technology, the bright light consumes minimal power and generates minimum heat.

The trigger output can be set to low or high using a selectable jumper link and for installation purposes, wiring options include either RJ45 or a 4-way terminal block. A detailed Product Specification Sheet is available upon request.

### Part Number:

- ❑ **MED-ODL2.3-V(x)AH- 3 LEDs ODL-Active High**
- ❑ **MED-ODL2.3-V(x)AL- 3 LEDs ODL-Active Low**
- ❑ **MED-ODL2.6-V(x)AH- 6 LEDs ODL-Active High**
- ❑ **MED-ODL2.6-V(x)AL- 6 LEDs ODL-Active Low**

### Key Specifications:

- **Dimension:** 117 (L) x 73(W) x 72mm (D)
- **Mounted on** Clipsal 4000 Plate
- **Input Supply:** +12 to 27VDC
- **Broad Viewing Angle:** 180 Degrees
- **Operating Temperature:** -40°C to 100°C
- **Wiring Options:** RJ45 & Terminal Block
- **Trigger Output:** Selectable Low or High
- **Optional:** Built-In Buzzer
