

Foot Board

A removable board that locks into a padded foot rest or folds out for extra length as a leg support.

Key Benefits

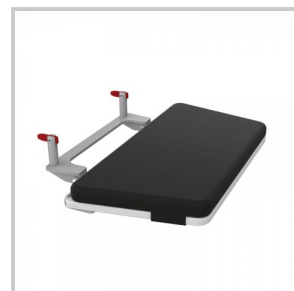

- Covered in heavy duty vinyl
- Fits standard Recline leg support
- Locks into a foot rest or folds down to lengthen the leg support

Product Code

- MPC-CA-DDF

Why Buy

Clip in this foot board to provide a comfortable padded rest for the patients feet to help restrain them whilst moving the chair. It is covered in hard wearing vinyl that is easy to clean. The board can be folded down if the leg rest is raised to provide extra length and support for the patient legs.
