IVARIO PRO COOKING CENTRE 2-S 2 X 25L IVP2-S

Product Code: 4012097

Product Description: The RATIONAL iVario Pro is one of the most modern cooking systems for maximum productivity, flexibility and simplicity. You can boil, pan fry, deep-fry and pressure-cook, and therefore replaces traditional cooking appliances such as bratt pans, kettles, boilers, ranges and deep fryers. The iVario Pro is up to 4 times as fast, uses up to 40 % less energy and a huge space gain compared to conventional cooking appliances. This means that an iVario Pro will pay for itself within just a few months. If you are interested or have any questions about the iVario Pro, or if you would like to see the iVario Pro live in action, ask your rep for details.

Unit: EACH

\$45,246.08 ex. GST

Features

Dual pan flexibility - Two 25L independently operated cooking pans.

iVarioBoost - The patented heating system reaches 200 degrees in less than 90 seconds and maintains even with fast response to maintain heat and quickly reduce temperature if required. The device great results increasing productivity by as much as 400% while reducing yield losses by up to 17% and reducing energy consumption by 40%

iCookingSuite – Your intelligent cooking assistant, provides ease of use and the greatest possible support for cooking. Intelligent sensors in the pan base recognise load size and condition to adapt the cooking process, this means full reliability and high standard of food

iZoneControl enables you to divide the iVario into four zones and you can choose the size, position and shape you want.
