

## FEATURES

- **Housing material:** transparent blue polycarbonate
- **Maximum operating temperature:** 85°C
- **Captive screws:** galvanized steel
- **Protection degree:** IP 20
- **Self-extinguishing**

## RS PRO Commoning Block, 3 Way, 750 V

RS Stock No.: 868-0806

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

From RS PRO, this compact commoning block is ideal for use in derivation and junction boxes. Not only does its compact design allow for excellent space management, it also has a robust construction with high mechanical resistance. For reliable high-density connections with excellent electrical characteristics, this polycarbonate terminal connector is ideal.

## General Specifications

<b>Clamps</b>	Brass
<b>Self-extinguishing</b>	UL 94 - V0; IEC 695-2-1 to 850°C; IEC 695-2-2
<b>Termination Method</b>	Screw
<b>Number of Ways</b>	3
<b>Housing</b>	Transparent blue polycarbonate
<b>Screws</b>	Galvanised steel
<b>Applications</b>	Junction box, Derivation box, Panel boards, Demarcation points, Equipotential earthing

## Electrical Specifications

<b>Voltage Rating</b>	750V
-----------------------	------

## Mechanical Specifications

<b>Cable CSA</b>	35mm <sup>2</sup>
<b>Length</b>	18mm

## Operation Environment Specifications

<b>Maximum Operating Temperature</b>	85°C
--------------------------------------	------

## Protection Category

IP Rating	IP20
-----------	------

## Approvals

Standards Met	UL 94 - V0; IEC 695-2-1 to 850 °C; IEC 695-2-2 CEI EN 60998-1 CEI 23-21; II Ed. (EN 60998-2-1) + V1
