Movable stay pod

Stay pocket cover prevents migration of the palmar stay

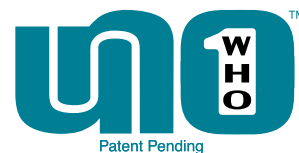

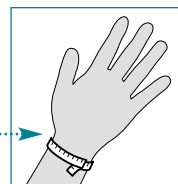

## UNO WHO™ - Wrist Hand Orthosis

- Stay pod is movable for universal sizing and malleable for a custom fit
- Stockinette tongue and dorsal loop & lock closures offer a simple application
- Constructed of nylon outer shell with a tricot covered foam lining for comfort and durability

Order No. Description / Options  
**428** UNO Wrist Hand Orthosis™  
**Specify Right or Left**

### UNO WHO™ WRIST SIZING:

Wrist circumference 4.5" to 9.5"

The hook & loop straps are anchored to the movable stay pod, allowing the strap length to be adjusted

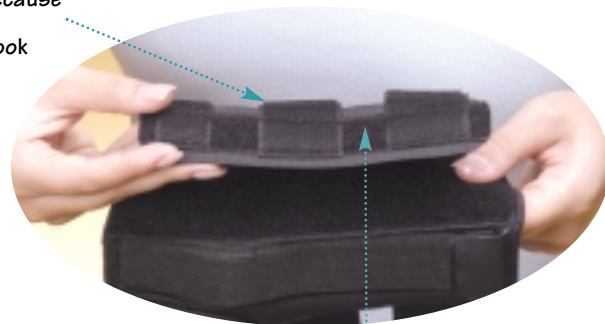

3 Dorsal Loop & Lock closures are adjustable and trimmable

"D" rings are offset to avoid irritation to the wrist

Brace won't snag clothing because there is no exposed hook

Stockinette tongue covers length of brace, providing comfort and easy application

Removable, malleable, anatomically contoured Aluminum Palmar Stay

Movable Stay Pod adjusts for sizing and acts as an anchor for the hook & loop straps
