

# LIFTIQ

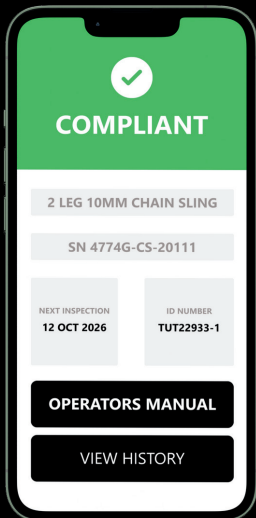

OPEN COMPLIANCE PLATFORM

**TAG IT.  
TRACK IT.  
TRUST IT.**

The next-generation compliance management platform designed to eliminate friction. One source of truth for your entire lifting and rigging fleet, regardless of supplier.

## Break Free from Supplier Lock-In

Most digital registers are owned by equipment suppliers, so you can only log what you buy from them. **LIFTIQ is different.** Manage every asset in one dashboard, no matter where it was purchased or who manufactured it.

### INSTANT VERIFICATION ON THE GROUND

Empower every worker on-site to verify safety status instantly. Our traffic light system provides immediate visual confirmation

#### GREEN: COMPLIANT
