

Plinth Medical 50E - 2 Section Bariatric Couch

Access Health

2 SECTION BARIATRIC COUCH

The Bariatric 2 section provides effortless push button operation and features a wide treatment surface with a safe working load and lifting capacity of 320kgs. The standard upholstery can be upgraded to deeper foam with pressure relieving properties and 2-way multi-stretch vinyl for additional patient comfort.

KEY BENEFITS

- Substantial treatment surface to support large and heavy patients
- Push button electric operation of height and backrest angle for ease of adjustment and patient positioning
- The motorised backrest has a range from horizontal to 85° for sitting procedures
- Retractable wheel system for moving and positioning of the couch
- Low patient transfer height of 49cm
- Breathing hole and plug as standard
- Footswitch as standard
- Hand switch is an option

German Manufactured Actuator Motors

- Lifetime frame guarantee
- 5 year parts guarantee
- 16 years average lifespan
