CITIZEN

Designed and built for performance
Stylish design and compact size
Thermal Transfer with standard Ethernet

CITIZEN CL-E321

Applications
- Durable logistics
- Light manufacturing
- Asset labels
- Rating plates
- Garden tags and labels

Easier ribbon change
The CL-E321 uses full size, 300 metre ribbons with 1 inch cores and they are easily loaded into the 180º wide-opening case. The cleverly designed ribbon holders smoothly load the ribbon from any angle, with the arrows to show the winding direction.

The distinctive blue-coloured media holder features a handle for simpler label loading.

Stylish, Fast and Compact
The CL-E321's compact, modern, functional design takes up very little desk space, is easy to use and is also perfectly at home in any location, from warehouses to hospitals. It also has a fast print speed of 8 inches-per-second, is quick to setup and to load with media.

Well connected
Featuring on-board LAN, USB and Serial interfaces, the CL-E321 allows the printer to be operated remotely and settings adjusted thanks to its LinkServer™ management tool, which enables you to connect to the printer instantly via a web browser.

Easy operation
The CL-E321 is simple to use and intuitive, ensuring users waste no time when changing labels or adjusting settings.
