

POLYCARE

AMBULATORY MEDICINE CHAIR

When we created the POLYCARE ambulatory chair, we placed patient well-being at the heart of our approach. The result of an in-depth analysis of the specific needs of dialysis, chemotherapy and other departments, POLYCARE stands out for its unrivalled versatility. It's the ultimate choice for every stage of your outpatient care. Efficient, comfortable and easy to accessorise, POLYCARE goes beyond the norm, offering a complete solution for every phase of your treatment. From the patient's warm welcome to the preparation and administration of care, POLYCARE ensures a smooth, safe experience. Discover the ambulatory chair that redefines medical care.
