Product Description: **COOLING INSERT**
 Part Number: **8413-11**
 Style: **FEATHER ICE**

GENERAL DESCRIPTION:

Cooling products are designed to protect and provide comfort to workers who must function in environments with excessive heat. Allegro caters to the demands of construction workers, firefighters, welders and factory workers, as well as other applications. The Feather Ice Insert has been engineered to provide safe optimal temperature transfer rate, providing a more comfortable and safer cooling. It is ideal for under HazMat suits and other protective clothing.

FEATHER ICE INSERT:

- Safe and non-toxic
- 100% organic and recyclable
- Non-flammable and non-combustible material
- Silica crystals
- Sealed in a clear package
- Divided into two sealed sections for better temperature distribution
- Maintains a constant temperature of 54°F (12.2°C) three times longer than ice or gel products
- Activated by freezing
- Four inserts per package
