

Unisto Nova

As pull-tight security seal is Unisto Nova the optimal solution for sealing bags, boxes and roll cages used in the courier services, cash in transit and transport sectors. Strap dimension of 4.0 x 2.0 mm offers flexibility to secure small/tight sealing aperture. Unique stainless steel locking mechanism gives a tamper-resistant fit. Spikes on the ribbon give good grip on neck of any bag. Numbered and barcoded options streamline any logistical process. Various plastic colours available.
