

Simple, basic scrubber/dryer that makes your cleaning easy

In line with the century old Nilfisk tradition, the SC450 combines performance, reliability, productivity and ease of use in a well designed and cost efficient all round scrubber/dryer.

The Nilfisk SC450 walk behind Scrubber/Dryer performs equally well on the floors of schools, hospitals, shops, warehouses and offices as on the bottom line. It is designed with easy maintenance, low consumption of water, detergents and energy in mind. For the manager as well as the operator SC450 is an easy choice.

The Nilfisk SC450 walk behind Scrubber/Dryer has large 40/45L solution and recovery tanks with an automatic shut off of the vacuum motor when the tanks are full, preventing overflows. The tanks are crack, dent and chemical resistant.

The Nilfisk SC450 is easy to maintain, easy to use and with low noise levels is an easy choice for your business.

Picture shown may not represent model quoted

- The low noise level enables daytime cleaning for increased comfort and efficiency
- Polyethylene corrosion proof rotomolded tank ensures durability
- Automatic squeegee release when hitting obstacles provides reliable use and extended lifetime of equipment
- Large recovery tank and removable lid for easy cleaning
- Fast and hygienic
- Most electrical components are placed in dedicated waterproof box for reliability and safety
- One year commercial warranty
