

"Athlegen has and always will be our only choice when it comes to treatment tables. We have over 20 treatment tables across our clinics and compared to other products on the market, you can't beat the reliability of their Australian built products. From the quality of the steel frame to the durability of their motors, our Athlegen tables are crucial to our practitioners providing exceptional service to their patients."

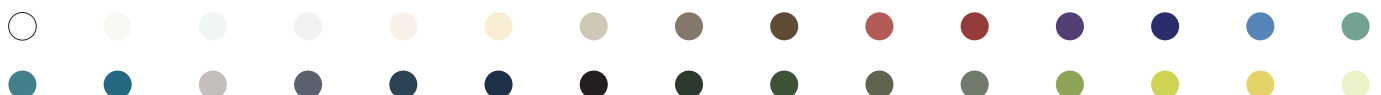

DR DAVID ABOUD

## Pro-Lift Osteo MKII

The Osteo MKII is our premium osteopathy table. The table has a robust frame and our new and improved Firm Dunlop® cushioning system provides superior patient comfort and is perfectly suited to sports massage as well as osteopathic adjustments and manipulations.

SELECT FROM OVER 30 COLOURS AND FABRIC CHOICES INCLUDING POLYURETHANE (PU), VINYL (PVC) AND GENUINE ITALIAN LEATHER:

## PRODUCT INFORMATION

### ADJUSTABLE HEAD SECTION & ARMREST

The sturdy head section and armrest can be finely adjusted so the prone patient can fully relax their neck muscles during treatments. The narrower head section design allows easy access to the armrest.

### EXTENDABLE & HEIGHT ADJUSTABLE FOOTREST

The footrest is height adjustable up to 200mm and can be extended to create a tabletop of over two metres. Ideal ankle support for patients of diverse stature. Plastic bushes ensure easy, smooth and quiet operation.

### OPTIONAL REMOVABLE ARMREST

Fast to remove and replace, the removable armrest allows better practitioner access when working seated at the head of the table.

### DESIGNED IN CONSULTATION WITH OSTEOPATHS

Designed in consultation with an Australian association of osteopaths and made in Australia by Athlegen, our sturdy design is built to last even in the busiest practice.

### TABLE WIDTH

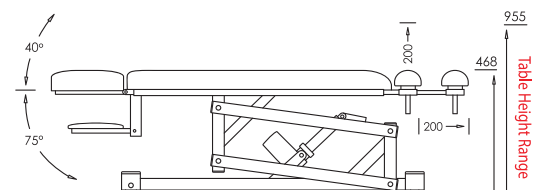

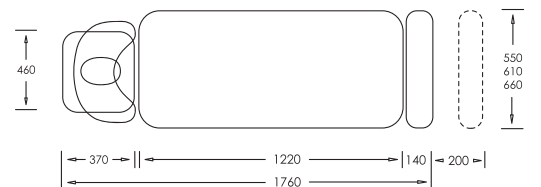

We have a table width to suit every practitioner. Select from 550mm, 610mm (our most popular table top width) or 660mm.

### BASE STYLE

Choose between our Standard base with concealed in-line wheels and floor-leveling feet or our lockable Castor base for easy manoeuvrability. All wheels feature TPE rubber compound tread to protect your floors.
