

2 Shelf Curved Glass Closed Front

MODEL SHOWN - D2RDLF

2 Shelf Drop-in Refrigerated Display with Curved Glass and Closed Front

Chilled display units incorporating a cold well and 2 glass display shelves. The unique Versigen innovative "Polar Air Stream" system provides a constant, recirculating cold air curtain completely enveloping the food displayed. Holding pre-chilled food at a safe, regulated temperature while retaining taste and freshness. Perfect for sandwiches, fruit, yogurts and cold drinks. Self-contained units with accurate, digital control, automatic defrost, high pressure warning and automatic condensate evaporation. The Refrigeration System is housed underneath in a tidy, compact cradle. Utilising a highly efficient, naturally occurring, hermetically sealed, hydrocarbon gas type R290 as standard - reducing carbon footprint and energy consumption.

Features

- Condensing unit set at 90°. Removes the need for unsightly vents in the front panels of serveries and counters.
- Digital thermostat & temperature controller.
- Sliding rear double glazed doors.
- Advanced air flow design with unique polar airstream technology.
- Controls conveniently positioned in the gantry hood.
- Efficient, ozone friendly hydrocarbon refrigeration.
- Long life, low energy LED.
- Maintaining the core product temperature of pre-chilled food below 5°C in ambient condition not exceeding 25°C and 60% relative humidity.
- Automatic condensate water evaporation [no need to empty drip trays].
- Automatic defrost control.
- 24 hour operation.
- Fully insulated.
- Plenum duct to aid onsite ventilation and installation.

MODEL SPECIFICATIONS

Code: D2RDLF	Code: D3RDLF	Code: D4RDLF	Code: D5RDLF
Length: 830	Length: 1158	Length: 1486	Length: 1814
Depth: 660	Depth: 660	Depth: 660	Depth: 660
Height: 540	Height: 540	Height: 540	Height: 540
Weight: 122kg	Weight: 143kg	Weight: 161kg	Weight: 182kg
Power rating: 10amp/1.5kW	Power rating: 10amp/1.5kW	Power rating: 10amp/2.0kW	Power rating: 10amp/2.5kW

Optional Extras

Additional air flow kit [In-line fan and flexi ductkit for difficult non-standard installations] (Code: DRA)
Front Roller Blind (add "RB" to end of model code)
