

## The Spirit of Adventure

### Adventurer

Rediscover Your Freedom

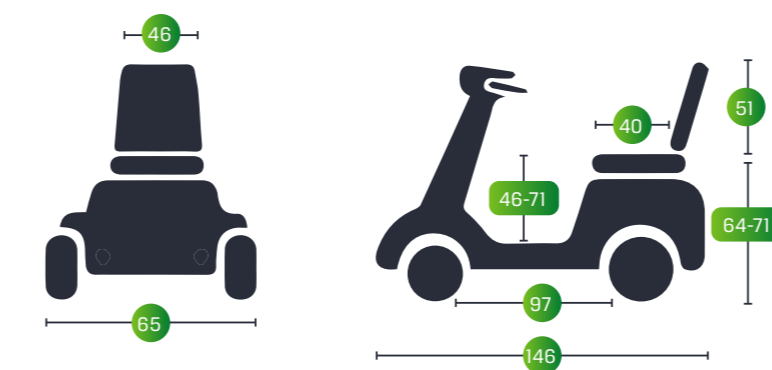

Designed for the active user, the Adventurer is the largest model in Country Care Groups new Scooter series.

The Adventurer packs a punch with its large batteries, with a range of up to 40-50km and a 4-pole motor fit for climbing hills or terrain.

- Loop handlebars offer comfortable finger or thumb throttle operation
- Adjustable suspension system allowing for more rider control and comfort
- Large 12" wheels which provide greater ground clearance
- Larger 4 pole motor and larger controller delivering much more power for climbing steep driveways or hills
- Separate emergency braking system for added security
- Built-in half speed safety switch which operates automatically when turning to provide extra safety
- New easy to access 12 volt socket (for phone or GPS)
