

Scanbeta NG

PERFECT FOR YOUR PAEDIATRIC NEEDS

The ScanBeta NG was specifically created for children aged from 3 to 12 years old. As well as providing high levels of safety, the ScanBetaNG has been made to enable high-levels of configurability, so that as the child grows or his/her condition changes, so too can the ScanBeta be configured to meet new requirements.

**Making Life's
Experiences Possible**

Scanbeta NG

- **Customised options:** Bed is available in 2 sizes 160 x 70cm and 180 x 80cm, with multiple side rail options in 40 and 80cm height for patient security
- **Mattress platform height adjustable from 300-900mm:** When required it is very easy for a child to get in and out of bed
- **Slat deck design:** Allows for improved infection control and reduces wear and tear on mattresses
- **Available in two sizes:** Perfect for children aged from 3 to 12 years old
- **Padded upholstery:** Options are available to offer added protection

Features

Height adjustable from 30 - 90cm.

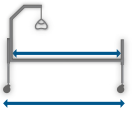

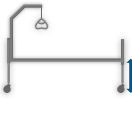

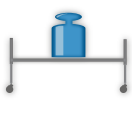

Steel slat deck.

Different options for side rails and panel bars available.
