

Discover a New Lease of Life

Discoverer
Rediscover Your Freedom

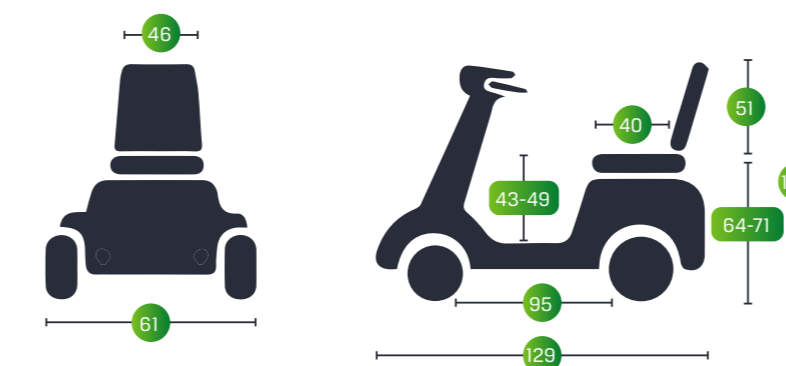

Fit for hills, navigating gutters, and uneven terrain, the Discoverer is a medium sized Scooter designed for the mid-range user looking for a mobility option to take them that little bit further in their day.

Featuring a 4-pole motor and up to 30 – 40km range single charge battery range, the Discoverer suits a more active lifestyle.

- Multi-adjustable tiller for easy use and comfort
- New modern LCD dashboard display offers clearer more easy to read battery gauge, speed & temperature
- Built-in half speed safety switch which operates automatically when turning to provide extra safety
- Large wheels which provide extra ground clearance
- Adjustable suspension to give maximum comfort
- 4 pole motor and large controller delivering much more power for climbing steep driveways or hills
- Headlight and rear tail lights, indicators front and rear and reverse warning makes this scooter suitable for all occasions
- New easy to access 12 volt socket (for phone or GPS)
