

# Standard Pallet Cage Storage / Collapsible Foldable Sides / Stackable- 1000kg Capacity- L1183xW1142xH1090mm

Multi-purpose transport or storage cages are designed to suit warehouse space saving storage requirements and transport efficiency.

## Features

- Material: Steel
- Multi level stacking up to 3 high
- Surface finish: Powder coated blue
- 2x drop down gates for easy access
- The gates provide access even when stacked
- The 1000kg capacity makes it ideal to carry loads of different weight
- It can be very readily lifted by any forklift and moved about very smoothly
- The sides of the wire cage pallet can be folded, which makes it easy to store when not in use
