Clean ahead

Sweepmaster 650/800
Vacuum sweeper machines

For the dust-free cleaning of small and medium-sized areas

Vacuum Sweeper Machines

Sweepmaster 650/800

*Top Hako quality for thorough cleaning results
without gnawing at your budget*

When dealing with the dust-free cleaning of small and medium-sized areas, the Sweepmaster 650/800 simply cannot be ignored. It works according to the overhead throwing principle which allows the hopper to be filled completely and to the top. This provides long periods of uninterrupted work and a constant, first class sweeping result. For continuous and high work quality, the filter can be comfortably shaken clean during use. To clean it after completing work, it can be accessed from the clean side easily and quickly. The robust, steel frame construction in heavy-duty quality makes the Sweepmaster a really professional device which can clean surfaces efficiently for a number of years!

1) Take-it-Easy hopper system

for simple emptying in just one operation

2) Maintenance-free battery drive

with onboard charger, can be charged at any power socket

3) Petrol engine

in an economic, quiet industrial version for outdoor use

4) Close to edge cleaning

and large overlapping of the side brush when cornering

5) Optional carpet kit

converts the Sweepmaster to a thorough, gentle carpet cleaner

Take-it-Easy – the comfortable hopper system

The swivelling handlebar simplifies opening the hopper, its easy removal and throwing in large debris. In the Sweepmaster 800, there are two dirt hoppers (2 x 25 l). This means the weight can be better distributed, the hoppers are easier to empty.

Hako

Clean ahead

Hako: environmental-friendly right from the start

It is our legacy to leave behind a clean planet. That is why resources-, environmental- and climate protection characterizes each and every process at Hako which has been certified by independent institutions. Learn more about our on-going commitment at www.hako.com.

Everywhere and close by

Our efficient sales & service network guarantees close proximity and rapid help - worldwide.

Cleanliness combined with safety

Our machines meet the highest standards. Reliable quality "Made by Hako."

Buying, leasing, renting

We offer you many individual and attractive financing options.

We are available 24/7

Hako's spare part express and on-call service guarantees best possible availability.
