

# co-botic 45

## Intelligent Robotic Scrubber-Dryer

The co-botic™ 45 is an intelligent robotic scrubber-dryer catered to hard floors, making it an ideal cleaning assistant for spaces ranging from 200m<sup>2</sup> to 1500m<sup>2</sup> in size.

### Using the App

Easily schedule cleaning days and times, create a map of your spaces in minutes, select specific rooms for cleaning and more.

### Remote control

Control the co-botic 45 manually for spot cleaning and mapping purposes.

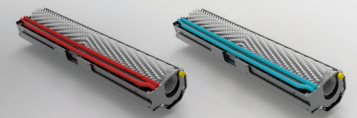

### Easy to run

Empty and refill the tanks in an instant, or replace brushes or squeegees with just a few simple clicks.

### Battery operated

Runs on the co-botic version of the i-power 20 batteries.

### Choose your squeegee

The Linatex version is included as standard, while for greasy and oily areas, we recommend the Primothane version.
