

# T730 TELEHANDLER

## Features

- Danfoss HST Drive line
- 40km/h Max Travel Speed
- Cummins QSB3.9 Engine
- 87kW / 109hp Rated Power
- Euro Ag Style Quick Hitch
- High / Low Speed Range

- Carraro Axles
- Carraro Range Box
- 3000kg (3t) rated  
Horizontal Lift Capacity
- 7m lift height
- A/C + Heater
- Multifunction Joystick

## Options

- Industrial or Ag tire pattern
- Tow Hitch
- Windscreen Protection
- Load Management System
- Hydraulic Outriggers
- Self Leveling System
- Pallet Forks / Hay Forks / High  
Back Hay Forks / Silage Grab /  
GP Bucket / 4 in 1 Bucket /  
Bulk Bucket / Log Grab

| Rated power (kW / HP)              | 81 / 109        |
| Diesel tank (L)                    | 190             |
| Hydraulic oil tank (L)             | 170             |
| Hydraulic Flow                     | 120 L/min       |

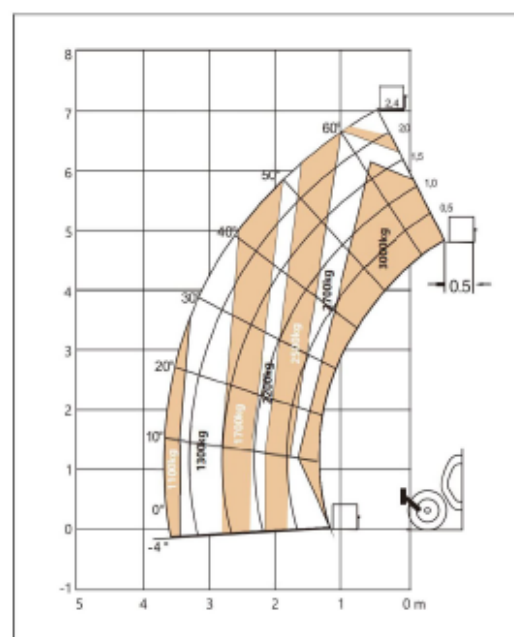

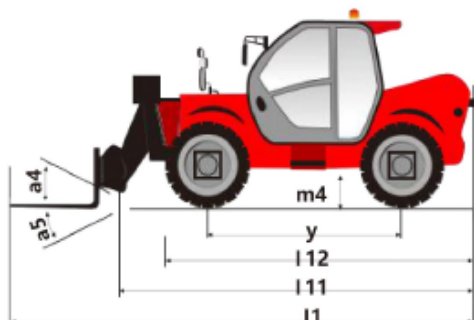

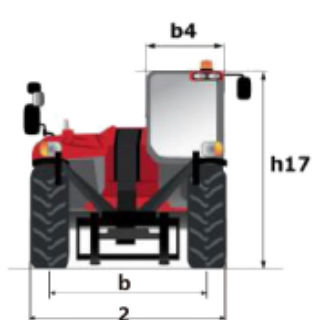

Compact engine design, high efficiency cooling system, and a high-efficiency fan maximise performance. Advanced air filtration, easy access filters, improve reliability and extend engine life.

Panoramic biomimetic cab design with tempered safety glass delivers outstanding visibility for safer operation. Enhanced sealing reduces cabin noise, blocks dust, keeps A/C operation performance high and improves comfort during long working hours.

Simple controls and ergonomic controls increase comfort. High definition display screen with all functions visible.

Genuine Manufacturers Warranty Included. Specifications may change without notice. Photos are an indication only.
