

APOLLO TRACTORS

MODEL 554 55HP 4WD DIESEL

POWERFUL & VERSATILE

The APOLLO 554 is a 55hp, diesel, 4WD utility tractor, offering tremendous value for money. Whether you need a tractor for slashing, building paddocks or feeding out, the APOLLO 554 has it covered.

LIFESTYLE OR COMMERCIAL

The APOLLO 554 has a solid, cast-iron chassis and large wheels, which deliver superior power to the ground, making it suitable as a primary tractor for lifestyle farms, or a utility tractor for commercial applications.

FRONT-END LOADER WITH 4 IN 1 BUCKET

With its heavy-duty loader and 4 in 1 bucket, the APOLLO 554 makes light work of many farm tasks, including driveway repair, loading trailers, spreading screenings and mulch, gathering firewood, pulling old fence posts, and general clean-up of farm debris.

ROUND BALES & PALLETS – NO PROBLEM!

With a certified SWL of 660kg, the APOLLO 554 can lift round bales effortlessly, using its matching set of pallet and bale forks (optional).

FULLY SUPPORTED

The APOLLO 554 is a **fully supported tractor**. It is backed by SOTA's famous customer service and renowned after-sales support. Unlike other budget tractors on the market, the APOLLO 554 has a comprehensive 3 year written warranty, which in the first year, includes **all parts, labour, freight and travel costs**.

SOTA Tractors has been selling the APOLLO 554 for 20 years and, it is one of our most popular tractors. Its power and versatility will complement any property.
