

# i-mop XXL

Revolutionary scrubber dryer

- The first of its kind, the i-mop solves the problems of floor cleaning systems by combining the flexibility of a floor mop. Dirt removal rating of 97% compared to traditional mopping methods of only 30 - 40%.
- With over 350 RPM and 32 kg of brush pressure, the i-mop cleans efficiently and thoroughly and is up to 10 times faster than conventional mopping methods with the power and speed of industrial scrubber driers.
- Inbuilt wheels for easy transport with folding deck to save storage space.
- Applications include timber, vinyl, tiles, natural stone, concrete and more.
